AND ENJOY THE BENEFITS OF:

- One of the most beautiful courses in Denmark
- Mentor programme to help you get to know the course, the club and its members
- Social events at the club, including key updates on golf rules and regulations, travelling with club Pros to e.g. Spain, Portugal and Greece, social club matches, gear demos, etc.
- Free use of the course, facilities and practice areas
- Members' guests pay reduced green fee or pay and play fees – so why not bring a friend!
- Seasonal training with Pros on site

Enjoy nature, socialize with your friends,
improve your shots and just simply
have fun!

To help acclimatize new members we offer a Mentor Programme that will help you get off to a good start in your new golf career. A number of the current members have volunteered to “buddy” with a new member to ensure he or she is familiar with all of the training and Club activities. Soon after joining the club, a mentor will contact you to help in any way.

Beginners’ scheme

To give you the best introduction to golf, the Club has an elaborate beginners’ course, The Beginners’ Scheme, which takes you through all the basic rules of the game, etiquette, dress code, beginners’ training with Pros and social competitions to get you hooked on the game.

THE COURSES

18 holes

Søllerød Golf Club offers a beautifully mature and undulating course in one of the most attractive areas of northern Copenhagen. Located in a Nature Reserve, the course offers stunning views, unique biodiversity and silence.

The course features long par 5’s, superb short holes and a variety of par 4’s, which are both challenging and great fun to play. Four tee positions are available to allow golfers of varying ability to experience a challenging and enjoyable round of golf.

Par 3 course

The Club also features a 9 hole, par 3 course. The course is an excellent place to improve your short shots or approach shots, or for beginners to learn to play the game. It takes 50-60 minutes to play. The course is designed with two sets of tees and with the varying hole lengths it requires a different club to play each hole – providing maximum variety for golf practice or playing experience.

The Pro team

Our Pro Team is a very important part of the Club and they welcome golfers on arrival and provide excellent customer service. There is always one of the team on hand to help – whether it's checking in before playing, booking a tee time, or needing to hire a trolley, the Pro Shop is the place.

The Pro Shop stocks the top brands of golf clubs, clothing and equipment and is pleased to offer a full custom fit service as well as advice to ensure what you purchase is right for you. You can sign up with a Pro for individual lessons as well as regular classes for smaller groups during season.

Driving range

Members of the Club receive free range balls included in their membership dues.

Restaurant

Have a drink or a meal in the restaurant at the clubhouse, located right next to hole 18 with outdoor seating if weather permits.

The restaurant can also help you organise and host your next significant family event at their premises.
